The teacher will participate in a class/school visit within the _____ cher they will visit, purpose of visit, what they expect to get out of the visit, and give the form to their administrator.

Partners in Practice does not replace teacher PD or the expectation that people take part in professional development. This is a unique opportunity to support PD, not replace it.

ï X Z • % } v •]] o] š] •

Upon returning from the visit, the teacher will request a time/day to sit down with their administrator to discuss their visit. The teacher will fill out a Partner in Practice form. The form will be given to their administrator who will copy the form and give the ori t lëast visitation in _____ s 3 5 and a r within one month of the visit.
